Fabric Pergolas

The arched middle bars ensure correct water drainage to the peripheral rain gutter.

✓ Clean look. Robust foundations.

Lighting of your choice.

Peripheral lighting for more subtle and futuristic illuminating effect. **Spot Lux lighting** for direct lighting of the space under the pergola. Enjoy each option or combine them for the full lighting experience.

Vertical Awning

Flat

Compact and minimalistic, this model enlives the ideal outdoor room. As a self standing structure it can be fitted perfectly in residential yards and open spaces. The zero inclination installment gives clear corners to create suitable openings for vertical and glass systems.
